INDUSTRY EXPERIENCE

GIDE (Group for International Design Education) -

this was an International Design Workshop in which we had to follow a brief and compete to with several universities from different countries across Europe.

Sumo Digital Game Environment –

the brief was to design a game environment using our skills as Interior and Environmental Designers.

RSA (Royal Society of Arts) –

Kitchen Design for a Nationwide competition.

Verdant Gin Brewery –

Redesigning the existing A-listed building into a new and functioning workspace.

EXPERIENCE

Sales Assistant | Brantano | May 2017 – September 2017

Responsible for greeting customers, helping with any questions, serving shoes and offering key products which would help products last longer. Replenishing stock.

Sales Assistant | USC | 2017 - 2018

Responsible for greeting customers, helping with any questions, serving shoes and offering key products which would help products last longer. Serving customers on tills, helping to cash up, opening and closing the shop and making sure the shop is tidy throughout the shift. Replenishing stock when there is delivery.

Sales Assistant | Poundland | 2018 - present

Responsible for greeting customers, helping with any questions, making sure the shop is tidy throughout the day, replenishing stock throughout the week. Serving customers on tills and self-checkouts and offering the product of the week.
